

Gin Gin Caravan Park

Proudly owned and operated by Choice Petroleum

Behind our Gin Gin Service Station, we also run a caravan park.

We offer powered and un-powered van / camping sites as well as cabin accommodation.

Our park has a BBQ area, shower and toilet facilities, laundry, squash courts and of course, our service station is open 24 hours / 7 days a week for your convenience.

Most of our cabins are fully self contained, some have three bedrooms, verandahs, kitchen facilities – and we have terrific rates. Better than a motel, and just like home!

To make a booking, please contact our Service Station directly on: 07 4157 2192.
